- Doors mirrored on both sides
- Middle door hinges right

- Opening with recessed handle
- Movable glass shelves

|                              |         |
|------------------------------|---------|
| Service life of LED lighting | 60000 h |
| Measurement method           | LM-80   |
| Colour rendering index min.  | 80      |

## TECHNICAL DATA

|                                      |                                       |
|--------------------------------------|---------------------------------------|
| Protection degree                    | IP44                                  |
| Nominal voltage                      | 230 V AC                              |
| Operating voltage                    | 12 V DC                               |
| Mains frequency                      | 50 Hz                                 |
| Output voltage                       | 12 V DC                               |
| Product material                     | High-compressed three-layer chipboard |
| Light source energy efficiency class | F                                     |
| Light colour                         | 4200 K                                |

## SCOPE OF DELIVERY

- Mirror cabinet
- 4 glass shelves
- Fastening material

## ACCESSORIES

- Geberit magnifying mirror
